ABOUT THE COURSE

- Holes: 9 - Length: 2,705 feet
- Pads: Concrete pads
- Baskets: Discraft ChainStar
- Challenging wooded course; may be wet in spring or after rains...don't forget the insect repellent during spring and summer months.
- Wildflowers are impressive in May and Fall play is beautiful. Hunting is not allowed in woods. You can also play in the snow if you choose.
- If you are quiet, you will notice birds, squirrels, chipmunks, rabbits, and perhaps deer. Public Pit Bathrooms available in park

OWNERSHIP & MAINTENANCE

- Freitag Memorial Park is a privately owned park that is held in trust for public enjoyment. The park is owned by the Forest Junction Civic League--a volunteer group that maintains the course as time and funds become available. The course is always in need of volunteers to maintain and improve...there are always fallen trees/branches to move. Please contact us if you are inclined to help. There is a work group email distribution list used to announce scheduled work times as well as FB posts.
